

Talking Points

Autism Action Pty Ltd presents
'Talking Points'

An innovative 10-week education program for parents or carers of preschool children with an Autism Spectrum Disorder.

"Talking Points" is a series of informative education sessions with an experienced Speech Pathologist, who will provide you with practical ideas to use with your child with Autism. Unlike many other programs, after your 1 hour information session with the Speech Pathologist, you will get to use this information and put it into practice. You will have a 1-hour guided group session, to use your new strategies with your child. This will give you an opportunity to ask questions and troubleshoot on the spot with the Speech Pathologist, so that you can adapt strategies to suit your child.

Topics covered in this program include:

- Receptive language issues & strategies
 - using visual aids to help follow instructions
 - schedules to help follow routines & sequences
 - social stories for new rules & difficult situations
- Expressive language issues & strategies
 - Signing/Makaton: What? When? Why? How?
 - PECS (Picture Exchange Communication System)
 - Getting your child to communicate
 - Chat books
 - And more...

Date: Tuesday 21st April, 2009

Time: 1.00 – 3.00pm

Location: Box Hill, Victoria

Cost: \$105.50 per family per session

(Would be suitable for the "Helping Children with Autism" funding package)

- Sessions run for 2 hours, with one hour of information/ discussion, and one hour of 'hands on' guided, practice of the strategies with your child.
- Child care provided for your child with Autism only
- This program runs at the same time every week for 10 weeks
